A Pupils Guide To Civic

The aim of civic education is . to provide pupils with knowledge, skills and understanding to prepare them to play a full and active part in society. In particular, citizenship education should foster pupils' keen awareness and understanding of democracy, government and how laws are made and upheld.

Civic Education Models

In Australia, where the governments of the six states and two mainland territories are similarly responsible for regulating schooling, a national curriculum has been adopted that includes civics and citizenship achievement standards for primary school pupils and a civics and citizenship course for lower secondary school students.

Civic Education Models

In order to raise civic-minded children,
