L&I is workers' comp, workplace safety, labor and consumer protection, trades licensing, contractor registration and license lookup for public safety in Washington State.

Labor & Industries (L&I), Washington State

1-12; these chapters cover functions, their graphs and some basic exam-ples. This material is fully developed, in case you need to brush up on a particular topic. If you have never encountered the concept of a function, graphs of functions, linear functions or quadratic functions, this course will probably seem too advanced.
