Tumbledown, by Robert Boswell | Fiction Writers Review

At the center of Robert Boswell's seventh novel, *Tumbledown*, is 33-year-old therapist James Candler, who seems to be doing a mediocre job at pursuing one version of the American dream. When we meet him, he's acting the way we'd expect from a youngish Southern Californian who's making decent money: racking up debts and making investments.

The season has brought with it a bit of a relief, for after ten years we have finally gotten another Robert Boswell novel to immerse ourselves in. Set in a psychiatric rehab facility, Tumbledown centers around a troubled counselor and the patients whose lives he has been entrusted to help guide. Critics have described the novel as being in the mold of an old-fashioned kind of narrative, filled with the sort of character development, scene building, and sweeping story arch that can be hard to ...

As they explain, the characters in Tumbledown are all damaged in different ways and they are all struggling to find their groove, their sanity, their way in the world. The reason I rated this book so highly was that Boswell, across the board, created characters I cared about and I'm not a terribly caring person so I think that was an impressive accomplishment.
